UNFINISHED BUSINESS: Ms. Fangmann provided the members with an in-depth overview of the proposed amendments to the CDA By-Laws. The red-line version showing track changes was provided to each member and the changes were in keeping with gender neutrality, formalizing procedures to approve financial reports, more detail on the role of board members and officers, procedure of filing annual financial disclosure and the separation of audit/finance committee into two separate committees. The proposed amended By-Laws also incorporate flexibility in board meeting scheduling. It was noted that the By-Laws had not been updated since 1/27/09.

NEW BUSINESS:

Ms. Fangmann informed the members with an explanation of the CDBG 45th year contract amendment no. 1. Nassau County incorrectly applied a claim from the Public Facilities and Improvements (PF&I) line GC45-06E Pryibil Beach Fishing Pier in the amount of \$6,849.00 from the 45th year when it should have been vouchered against the 46th year. As such, the amendment will transfer the amount of that voucher for the Pier from PF&I line GC45-06C Opportunity Area Wayfinding Signage to cover the voucher. It was noted that PF&I line GC45-06C Opportunity Area Wayfinding Signage will still have enough funding for the implementation of that activity.

Chairperson Tenke asked the members if they had any questions on either the By-Laws or the CDBG contract amendment.

RESOLUTIONS:

Chairperson Tenke made a motion to adopt Resolutions 7(a) and 7(b) and asked for a second:
